Explanation of State Expenditures: (Revised) This bill authorizes Project IMPACT to develop five affiliate organizations in Evansville, Ft. Wayne, South Bend, Gary and Indianapolis. Project IMPACT is a nonprofit organization which seeks to provide positive alternatives to drug abuse, gangs, school failure, and other juvenile problems. The bill allows Project IMPACT to enter into a contract with the Indiana Criminal Justice Institute to carry out the duties in the bill. There is no appropriation in the bill to fund this program. The funds and resources required above could be supplied through a variety of sources, including the following: (1) Existing staff and resources not currently being used to capacity; (2) Existing staff and resources currently being used in another program; (3) Authorized, but vacant, staff positions, including those positions that would need to be reclassified; (4) Funds that, otherwise, would be reverted; or (5) New appropriations.

According to the January 29, 1999 manning table the Criminal Justice Institute had 11 vacancies. The Criminal Justice Institute reverted approximately \$1 million in general funds at the end of the last fiscal year. Ultimately, the source of funds and resources required to satisfy the requirements of this bill will depend upon legislative and administrative actions.
